

CBG Alumni Weekend Project List

SKILLED LABOR:

- Add LED solar lights near cabin walkways (already purchased)
- Replace all six 36 inch rodent resistant door sweeps for Chapel doors
- *Repair any wood that would help keep mice out of sacristy
- Repair / patch Rec Hall doors
- Add simple shelf for belongings while people use the Rec Hall
- *Replace casters on the Rec Hall box fan
- *Hang swing at the Rec Hall facing the lake (needs chains and hooks)
- Install a partition between the urinal and sink in the Admin men's bathroom
- Install new water valve and handle for side of Admin building
- Check all sinks that are leaking and replace washers
- Install galvanized screens outside all cabin roof eave vents to prevent bat entry

LESS-SKILLED LABOR:

GENERAL

- Clean everything...
- Add limestone walkway from dining hall to admin sidewalk – Bring a shovel and gloves; a tractor will do most of the heavy lifting
- Clean and repaint all garbage can boxes (we have paint)
- Remove debris near garden

CHAPEL

- Clean out stuff behind brick walls in chapel
- Move big props in Chapel down to the shop
- Clean and repair all 4 Chapel A/C vents with epoxy (or *buy new vents)
- Label the drawers for the music / video equipment and finish organizing the Chapel music room
- Buy containers for Chapel blackout curtains (with specifications)
- Wash recycling containers at shop and move them to the Chapel music room
- Seal any holes in the Chapel sacristy with rodent+insect-resistant foam

BOATDOCK

- Sort and replace any defective “personal flotation devices” (new supply in Rec Hall attic)

- *Add/replace broken handles on all boats
- Stain and seal covered bench facing lake (we have some stain)
- Fill holes with sand (we have sand)

REC HALL

- Paint the 2 tall signs on the side of the chapel for registration and checkout. ("Welcome to CBG, Please Start Here" and Camp Store / CBG post office info, etc.)
- Clean all fans, especially the port-a-cool fans (both inside and out)
- Sand and paint wooden ping pong tables (belt and orbital sanders as well as paint are available)
- Move folding ping pong table to lake house or donate to an EYC
- Label light switches (label maker needed – repeat in Admin)
- Paint and decorate the box fan

*Starred items may require substantial purchases. If you are interested in these projects, please reach out in advance or consider gifting the funds/materials.
